Galaxy Quest- After School Club

Parents/Guardians,

We are offering after school tutoring to a set number of students several days a week. Your child has been selected to be able to take advantage of this opportunity. We will be using Education Galaxy and small group mini-lessons during this time.

Since there are a limited number of spots, we need to make sure that this is something you would like your child to participate in and if they will be available to stay afterschool. If you feel that your child will not be able to attend, please note that as well.

Thank you.
