

Galaxy Quest

Your child has been invited to join Galaxy Quest! Our goal is to move from a Space Cadet through the universe and raise our alien ranking while improving Math and Reading skills.

Education Galaxy data shows your child would benefit from working on the program with a teacher present to help when needed. We will meet in the computer lab every Wednesday from 3:45-4:30. To stay after school for clubs, your child must have this permission slip returned and an adult must be signed up for Remind messages from the club. Instructions are on the back of this form to sign up for Remind.
