

Number Sense UIL

I would like for your child to participate in Number Sense. We will meet every other Tuesday starting on Sept. 27. It is very important that your child have good attendance. We will be learning a different skill each time we meet. We will be narrowing our group down in January to 6, with 2 alternates. Our competition date is Saturday, February 11. We usually compete right at 8:00. It is a 10 minute test.

Thanks,

Bonnie Fallis
