

Dear students/ parents:

Congratulations on being selected to participate in the 2016-2017 Perry Robotics Club. Our first meeting will be next **Monday, September 19, 2016 until 4:30 pm**. You will be picking your child up in the BACK of the building.

Robotics Club will be held on Mondays. The following are the guidelines for the members:

1. Parents must sign up for text message reminders from me about club activities. Please follow the instructions on the attached page. This will be an easy way for me to remind you of meetings and/or special events.
2. Students will be placed on a team of 2-4 students depending on the dynamics of the group. This is coaches discretion.
3. Students who miss more than two practices will not be allowed to compete for a spot on the competition team. In addition, any students who parent is late to pick them up more than three times, will no longer be allowed to remain a club member.
4. Only two teams will go to the area competition in January. The two teams will be chosen based on attendance to club practices, attitude and participation (work ethic). Also, all students must be passing all subjects in order to remain in robotics.
5. If at any time a student becomes a discipline problem, he/she will not be allowed back to robotics club.

Attached is a list of our meetings/practices for the year. We will also have one Saturday competition that will be held on a Saturday in January. If your child makes the competition team, please make sure they will be able to attend our competition in January. More info to come.

## Robotics Club Meeting Dates:

	September 19	September 26	October 3	October 17	October 24
October 31	November 7	November 14	November 28	December 5	December 12
January 9	January 17	January 18	January 19		

\*\*\*\*\*Saturday, January 21 \*\*\*\*\*

### Competition Day

If there are any questions or concerns, please do not hesitate to call me or email me,  
(817) 804-2800 or [jamidavis@misdmail.org](mailto:jamidavis@misdmail.org). We are very excited about our new Robotics team!

Mrs. Davis and Mrs. Alicea

I have read and understand the expectations in order to be a valuable member of the Perry Robotics Club
