

Dear Parents/Guardians of 3rd and 4th grade Students,

For the 2nd year we will have our own Student Council organization here at Annette Perry Elementary School.

Student Council is the **HEART** of student involvement!

As part of Student Council your child will represent Perry and work for all of our students. Student Council will give them an opportunity to participate in and practice leadership and responsible decision making. We will meet on one Thursday per month, starting on Sept. 29, Oct. 27, Nov. 17, Jan. 26, Feb. 16, March 23, and April 20. We will be planning an end of the year celebration with all students on Student Council on May 4th.

We will continue to work on service projects here at Perry and new ones we will start, so ideas are welcomed.

Please discuss with your child to determine their interest in Student Council, since it is a commitment. Also each student must ask for a recommendation from their homeroom teacher for having good citizenship.

Thank you and we are looking forward to a great year with Perry Student Council!

Mrs. Sundy Waters and Mrs. Celeste Kizer
