## Learning this week

---

LANG. ARTS	How persuasive is your child? In the next two weeks, we will find out.
MATH	We are making games to review the skills we have learned throughout the year.
SCIENCE	We will be discovering inherited and learned traits. Ask about our meal worms.
SOCIAL STUDIES	Tic Tac Toe- Three in a Row. We will be working on our Texas research projects.

---

## Practice at home

---

Read 20 minutes every day. Practicing cursive a few minutes every night will make your child a pro. Students should be studying their individual spelling lists.

**Read every night. Finish those books!**

Practice your math facts. We want everyone to earn brag tags!

**Try finishing all aliens by the end of the year.**
