WRITING Plan, write, revise and edit!! We are almost to first grade!! After your child plans and writes his/her homework, have your child reread, check for sight words, finger spaces, capitals, punctuation marks, and make sure it makes sense! All children should be able to write an opening sentence, 2-5 descriptive sentences, and a closing sentence by now.	
MATH Graphing: This week we will graph many of our favorite things from kindergarten. We will practice reading and comparing things from these graphs.	
SCIENCE Rocks: What are rocks? Why are they important? This week we will look into the different types of rocks.	
SOCIAL STUDIES Technology: Remember the days before Ipads, Kindles, and Netflix? For the next few weeks we will be learning about technology at home and at school. We will discuss how it makes our life easier, and at the same time harder.
