

Dear Annette Perry Parents/Guardians,

Welcome to the Best School in the Universe! We would like to make you aware that **Box Tops** will be collected each month in order to raise money for our school. Box Tops are found on certain products which are worth \$.10 cents per label. Our goal is to collect \$110 worth of box tops = 1,100 box tops each month. Our **total school goal for the year** is to collect more than **11,000 box tops=raising the minimum of \$1,100** for our school. If every Perry student **collected 5 box tops every month** we could reach our goal.

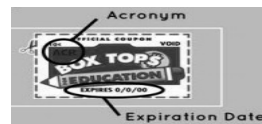

Every month box tops sheets will be distributed, collected and submitted by the Coordinator. The first deadline for box tops to be turned into Box Top Mailbox or PTA Box Top Coordinator is **Sept. 15th**. There is a pink Box Top Mailbox in the front entrance area of the school for students/parents/teachers to turn in box top collection sheets or baggies. **Bonus box tops** will need to separate and **not glued/taped to box top collection sheet**, just paper clip or staple to sheet.

Students/Parents/Teachers can turn in box tops at any time in the Box Tops mailbox. Collection sheets are preferred and can be incomplete. Please also make sure **the box tops have not expired and displays the code (usually on top left corner)**, in order to receive credit.

We look forward to a great and successful year. Thank you for making a difference.

Sincerely,

PTA Box Top Coordinator
