

# Annette Perry Elementary School-Parent Compact 2018-2019

The school-parent compact is a written agreement between administrators, teachers, parents, and students. It is a document that clarifies **COMMITMENTS** between families and schools in order to help children excel in academic standards.

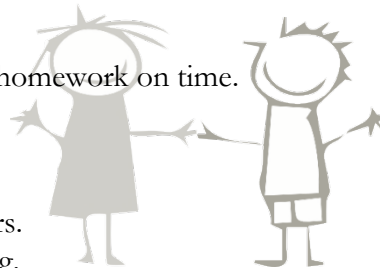

Every family has been provided a copy of the Annette Perry School-Parent Compact.

The signatures at the bottom of this page assure that each party is committed to their part.
